---------------------------------	--	----------------------------	--

COVID EDUCATIONAL

Many South LA families were already economically vulnerable before the pandemic. But furloughs, reductions in wages and hours, and lack of access to educational resources for their children has increased their financial and emotional strain. Many are now at risk of slipping from poverty to extreme poverty or homelessness.

[Core Scholarship Application](#)

To respond to these challenges, the COVID Retraining & Recovery (CORE) Fund—an educational and career building initiative.
